ABOUT SUNY COBLESKILL

The State University of New York (SUNY) at Cobleskill has expert faculty and staff. Individual attention to student success is SUNY Cobleskill's highest priority. The College has nationally recognized programs and dedicated faculty who engage in scholarship and collaborate with students. SUNY Cobleskill places an emphasis on integrating classroom instruction with strong internships and field experiences. Real life and real learning are central to a SUNY Cobleskill education.

SUNY Cobleskill is a safe campus surrounded by mountains, clean water and fresh air in upstate New York. The College is located 35 minutes from Albany, New York's capital city, and is only a few hours from New York City, Boston and Montreal. Bus transportation at the College enhances the academic experience for students by providing opportunities to visit big cities.

CAMPUS HIGHLIGHTS

- SUNY Cobleskill is ranked among the best regional colleges in the north by U.S. News and World Report.
- The College is listed among the Princeton Review's 286 greenest colleges.
- The campus has been named to the President's Higher Education Community Service Honor Roll for three years in a row.
- SUNY Cobleskill has been a member of the U.S. Green Building Council, a non-profit organization dedicated to sustainable building design and construction since 2008.
- The College is low in cost compared to many public and private U.S. universities.
- The campus provides hands-on applied education programs that lead to successful employment upon graduation.
- SUNY Cobleskill provides internships for most bachelor degree programs.
- SUNY Cobleskill offers English language support and tutoring in academic courses at no additional cost.
- The institution has a diverse and active international student population.
- The campus offers small classes with strong faculty/student interaction.
- SUNY Cobleskill has award winning faculty such as Dr. Thomas Cronin and Dr. Michael Murphy who are Fulbright Scholars, Professor Jo Anne Cloughly who was voted Educator of the Year by Women's Chef & Restaurateurs, and Dr. Charles Moran who was named to Smart Money's Power Thirty in Finance.

International Education

CAMPUS LIFE

International students can request to live in one of four housing options. In most cases, students share a room with one other person. Individuals who live on campus choose a meal plan; a range of meal options is available to accommodate cultural preferences.

The Office of Student Life and College & Community Relations is the activities center for the campus. As the home of Student Government and the Council for Student Activities, the center is always alive with student energy. Shows, movies and off-campus trips are organized through this office. Many clubs are also sponsored, such as:

- | | | |
|---|------------------------------|--------------------------------|
| Community Service Club | Digital Video Club | Photo Club |
| Culinary, Hospitality and Tourism Club (CHAT) | International Club | Student Horsemen's Association |
| Design, Art and Museum Club | Orange Key (leadership club) | Tae Kwon Do Club |

Collegiate sports are popular activities on campus: basketball, soccer, swimming and diving, golf, cross-country, track and field, volleyball, softball, lacrosse, and equestrian.
